

CERTIFICATE OF ANALYSIS

Alliance Chemical

Product Information

Product Name: Oxalic Acid, Dihydrate - Ethanedioic Acid
Category: Inorganic Salts / Slurries (F)
Certificate Number: TYP-OXALICACIDDI

Lot Information

Lot Number: TYPICAL SAMPLE
Test Date: 2026-04-30

Test Results

Parameter	Specification	Units	Test Method	Result
Assay	99.5 - 100.5	%	Titration/Gravimetric	99.70% PASS
Iron Ppm	<= 10	ppm	ICP	3 ppm PASS
Residue	<= 0.01	%	Residue on Ignition	0.00% PASS
Heavy Metals	<= 10	ppm	ICP-MS (as Pb)	3 ppm PASS
Appearance			Visual Inspection	— PASS
Chloride Ppm	<= 20	ppm	ICP	6 ppm PASS
Insoluble	0 - 0.1	%	Gravimetric	0.03% PASS
Sulfate	<= 0.01	%	ICP-MS	0.00% PASS

This Certificate of Analysis confirms that the above lot of material meets the specifications as stated. Test results are based on representative samples and typical analytical methods. This document is computer-generated and valid without signature.
